The Scientific Board of the Technical University in Zvolen, following the statement of the Academic Senate of the Technical University in Zvolen (hereinafter referred to as the "TUZVO"), in accordance with Act No. 131/2002 Coll. on Higher Education and on Amendments and Supplements to Certain Acts, as amended (hereinafter referred to as the "Quality Assurance Act") and in accordance with the Act No. 269/2018 Coll. No. 343/2015 Coll. on Public Procurement and on Amendments and Additions to Certain Acts, as amended (hereinafter referred to as the "Act on Quality Assurance"), approved on December 14, 2021 the Internal Quality Assurance System for Higher Education of the Technical University in Zvolen.

#### PART I GENERAL PROVISIONS

#### Article 1 Introductory Provisions

- The Technical University in Zvolen (hereinafter referred to as "TUZVO") is an educational, scientific, and artistic institution that accepts the formation of the European Higher Education and Research Area. It responds to the main ideas and principles of the Bologna Process, i.e., to create an internationally recognised European common higher education area based on commonly accepted standards and education quality norms.
- 2) Following Sec. 30 of the Quality Assurance Act, TUZVO provides quality assurance of the higher education by implementing its Internal Quality Assurance System for higher education (hereinafter referred to as "the internal system") and by its continuous development.

#### Article 2 Purpose and Definitions

- The internal system regulates the way of fulfilling the higher education mission of TUZVO through strategy and processes of quality assurance of higher education and of research activities, development activities, artistic activities, or other creative activities (hereinafter referred to as "creative activities") and through the link between the creative activities and higher education in the relevant field of study.
- 2) Quality means the quality of educational and creative activities and related activities at TUZVO.
- 3) Standards for the internal system means a set of requirements for the internal system and the way of its implementation.
- 4) Standards for a study programme means a set of requirements, meeting of which is a condition for the granting of study programme accreditation.
- 5) Standards for the habilitation and inauguration proceedings means a set of requirements, meeting of which is a condition for the granting of habilitation and inauguration proceedings accreditation.
- 6) Accreditation means the authorisation to carry out a study programme and to award its graduates the relevant academic degree and the authorisation to carry out the habilitation procedure and inauguration proceedings in the field of habilitation and inauguration.
- 7) Modification of a study programme shall be understood as the addition or deletion of compulsory or compulsory elective courses or modifying their information sheets and changing the conditions for proper completion of studies.

#### Article 3 Rules of the Internal System

- 1) The rules of the internal system consist of:
  - a) Strategy and process for quality assurance and internal quality evaluation,
  - b) Bodies of the internal system,
  - c) Internal Accreditation Regulations,
  - d) Implementation and evaluation of study programmes.
